After treatment

Take Control

This is a 3-hour workshop for cancer patients who have finished, or are just about to finish treatment. It focuses on practical and emotional skills, self-management techniques and coping strategies to help you move forward and 'take control' of life after treatment has finished.

Lynda Jackson Macmillan Centre

Mount Vernon Hospital, tel: 020 3826 2555

HOPE

A course that helps people who have had cancer to move on with life after treatment.

It runs for six weeks, 2½ hours a week, at the Lynda Jackson Macmillan Centre. The course aims to enable people to cope emotionally, psychologically and practically by focusing on building on their existing strengths.

Lynda Jackson Macmillan Centre

Mount Vernon Hospital, tel: 020 3826 2555
